Dear Sir
Please find enclosed check on Bal. due you Jan. 1st 1894 of Fifty Dollars. I am sorry to think of you but I cannot help it. Last Spring you promised me to give personal attention to my Mare you did not do so. The day she stinted for your place, she was in season. The day she came back she was in season. Your postal of the 17. of June says she was served at that time and only at that time. Read my last letter in regard to your sending her home before she came. The Boys here have the laugh on me as they told me I would be liff and told me to go myself and see that she was served by Happy Runner
Yours Respectfully
R. B. Frazer
