In respect to Patrolman George R. Farrell, Western District, on the sick list since March 2, 1912, suffering from melancholia, report, as follows, was submitted, read and ordered filed:-

"Baltimore, July 18th., 1912.

Mr. Josiah A. Kinsey, Secretary,

Police Commissioners.

Dear Sir:-

I enclose letter received this date from Dr. Edward N. Brush, Supt., The Sheppard & Enoch Pratt Hospital, relating to Patrolman George R. Farrell.

According to Dr. Brush this man is nearly well, and it would seem humane to give him a little longer time to recover. Another attack it would seem to me should call for a survey and retirement from the force.

Very respectfully,

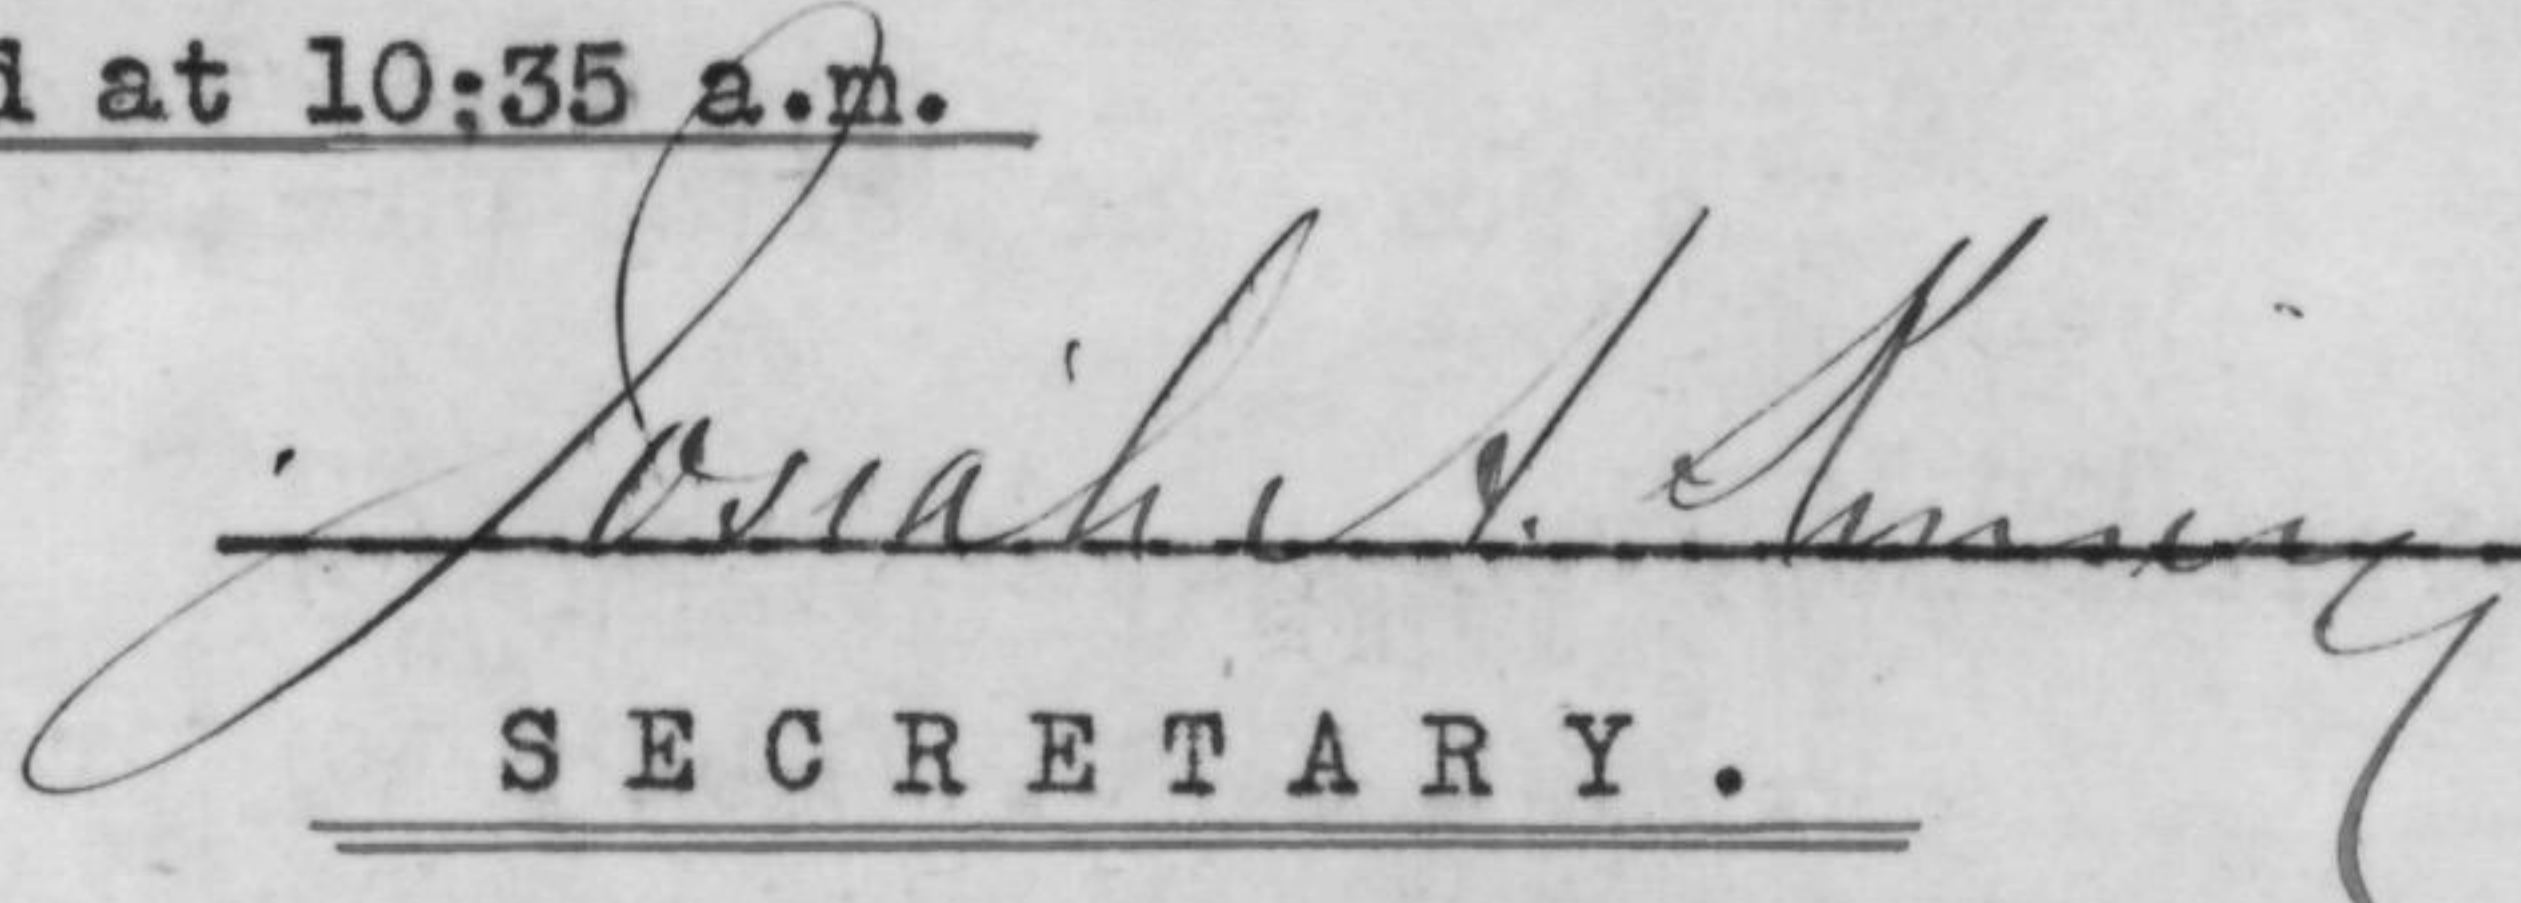

JAMES M. CRAIGHILL, Chief Physician."

The Secretary reported receipts, as follows:-

Fines & Costs, July 18, -----	\$66.65
