Where you made the mistake was in the second bill you sent me. Your first bill was for $182.27 up to Dec. 1st. Your second bill was headed. Bill Rend. Jan. 1st $198.27. when you had rendered me no bill for ~~Dec.~~ keep. You charged me $10.00 for Nov. keep and $10. each for Jan. and Feb. keep. Why should you charge $16.00 for Dec. keep.

If this is satisfactory I will send you N. Y. Draft for $197.27 and note due May 15, 1894 for $50.00 the note being for Bedworths fee if mare proves in foal.

Truly Yours
