Dear Sir.

I wish that you would please to be kind enough to ~~[illegible]~~ give me the full particulars and discription of the Sorrel pacer Victor Russell and also the lowest amount that you will take for him spot cash and I would also like to know what faults he has if any if kind in single and double Harness can he be driven with open bridle and is he fearfull of all objects and is he afraid of Electric cars. I would like for you to be candid with me and tell me the truth and if your figures should be satisfactory I will call to see you as I want him for a road horse for my personal use. is he a good or bad actor. Yours Respt.
