Dear Sir. As soon as the colt is weaned and has learned to eat oats I would like to have it shipped to me here.

I was hoping to be able to send you check for balance of account this month but will not be able to do so. I can send you $75.00 and possibly $100.00 after the 20th of this month. Do you think my mare is in foal to Bedworth? I wish you would send me his tabulated pedigree.

I have a half brother to Winslow Wilkes. 2:09¾ that without any regular training has shown me a half to heavy road cart in 1:16 and full mile in 2:34 he is only 5 years old and perfectly sound. He has a nice way of going and I think he will do good work next season
