Mr E. B. Emory
Dear Sir

I was requested by the directors on Tuesday night last to propose to compromise the matter you and I have in hand in which Mr. Mary M Dilgleman is interested as follows

The association will extend reasonable credit, on the claim, at the rate of 6% interest on same claim since last payment of interest upon the basis of accepting as principal eight hundred dollars instead of the $1,000.00 claimed by them - with the understanding that if the compromise is not accepted and a court of law
