You did not say in your letter if you have had the Mares Heels pared down. I not please have it done. As she has a very bad Corn on One foot. and will get crip-ling if not looked after.
Is the Dam of Happy Bee Standered. also give me her Breeding As I have made a wager ~~that~~ She was not Standard, and I also claim She was a very Ordinary Mare.
Hoped I be safe in laking Mare home about 1st of Sept. Is the Price a secret. as to what you got for Happy Lady, many thanks for fudging & giving Mare & Colt the attention you have

Yours Truly
