Dear friend

Often think of you and spoke of you many times this past trotting season, what a national reputation Happy Bee 2.17¼ made for her sire, there is no question but Happy Russell is the most valuable stud in Maryland, by great odds.

When Royal Russell showed tired out as he is out of a Strathmore mare and that is a great cross, you have a dandy stud one in Electric Medium Electioneers and Mediums are right in the swim and on top, I often regret your loss of "Maryland Mike" especially since his sire got so low a record &c

No use in my coming to Q. Sunno to try to make a dollar anymore, as the good things are picked up in a hurry. Mrs Ned Cant you do me a little political good in your section I would like to be State Veterinarian and think my chance are good, any thing
