My dear Sir.

I have just returned from "Watch Hill" Rhode Island where I have been spending two weeks for rest & recuperation & find your letter of July 31st.

I enclose you herewith my check for Thirty Nine dollars the bal. of your bill, though I had hoped it would be less.

If I can get away from home when either of the days named - that you are to be at Pimlico I will run down & see you & see the Mare exercised. I hope you have no doubt of her being in foal. I hope you find continued improvement in her speed, which I was encouraged to look for from the progress made up to July 1st.

When you get home remember me very kindly to Mrs Emory & the Children whose acquaintance was a large contributor of pleasure to my very short visit to you.

Very truly. Yours
A. S. Mason
