
good chance to be a credit to you
and the old horse and likely myself
compensation in the bargain.
My idea always has been that she
with her grand constitution - good
fair - level head - backed by good
breeding - would make a race mare of
first grade - Now if you agree with
me and think she is leaning to farther
and speed and did her race in good
form I am very much pleased.
My brother's mare Eulalie passed
into Turner's hands and will be cam-
paigned, and this is precisely where
mine will go if my desires are realized
simply falling into the 30 lick is of no
benefit to you and no compensation to
me - If you think well enough of her to continue
training write me at once so I can enter her Saturday
and in case you receive this too late advise me by wire of

Good luck Buckle
