Dear Sir

I have decided to have Mr. Waters send the man down & ship her to you next week on Tuesday next. I would be glad if you would send one of your men up at my expense to take care of her & see them on & off the boat & needs for one of your vessels. The blueflag you can keep for me until such time as I shall want to use her, I hope when you handle her she will prove to be kind & gentle & then shew she will judging from her appearance and disposition, I understand & appreciate your kindness you can however
