Dear Sir:

Write to say that if you can sell my Gray mare I would like you to do so. I want net for her clear of any expense bills that you may have $700.00 She is a very high bred mare - and is full sister to Gray Eagle the best sire in Accomack Co. See breeding on other side. Belle Peyton was out of Pocahontas by Am. Eclipse 2d dam by Mambrino Dimdo imp Messenger. Am Eclipse was out of Miller's Damsel by imp Messenger. All of the breeding is correct - Dam in doubt about the dam of Connecticut.

I shall hold the mare from this on at $1000.00 and if you will make the sale - I agree for you have the difference.

Yrs. truly
Orris A. Browne
