Mr. Emory
Dear Sir
I enclose Mr Waters letter which I would be obliged if you would answer to me as soon as convenient. It looks like pretty hard luck. Please tell me when my privilege of returning her to the Horse will run out. If she is not with foal I would like to have that privilege before it is too late as I have just paid a hundred dollars for another colt at least turn up the 2nd fifty-dollar note that was in Bank. An early reply will oblige

Yours truly
W B Finney
