Mr. E. B. Emory:

Not seeing or hearing from you for a long while I thought I would write to you I spend the greater part of the Summer & Fall in old Va. I met a friend of mine at the Hagerstown Fair by the name of John Lower Mt Knightstown Adams Co. Pa. who has several good mares that he wants to breed I told him to breed them to Happy Russell if he has not yet sent them it would be well for you to write to him if I knew when they were passing through Balto. I would transfer them from the cars to the boat for you will you please give me the names of the colts of Happy Russell that got records this year and what records they received. Hope this will find you all well hope your horses will are all doing well I am

Yours with respect
John B. Miller
