Our Emory My Dear Sir/ yours at hand
I regret very much after doing the best I
could was not able to take up note
Being sick so much this month is the reason
I've not been able to get out my bills Can do
any so now and will settle that note soon
as possible I ought to be able to settle it next
week but am afraid to say just the time
Money here is so scarce & people promise
me when the time comes they dont have it
but think I'll get it next week I am good
pay when I get the money but cant if I dont
have it. I've got any thing but money & it
seems impossible to turn any thing up to money
I will do the best I can I've orders on
yards men to see me next week & have some
horses for sale yet
Yours Kindly
