Dear Sir

We enclose you herewith bill for 15 Grain bags, not returned, Will you kindly remit us check, for the amount, or return us the bags. This is just what the bags, cost us, and it has just cost about what we got for carrying the grain, for the Hire of the Bags. We have given you Credit for, the torn bags, you returned, at different times, and there is still 15 not accounted for, if we have to pay for them, it is just cash money, out of our pockets.

Yours truly.
C. Haliburton Jr. Mgr.
