My Dear Sir

I mailed you a check for $100.00 on Monday last Aug 3d and requested you to acknowledge. but as yet have received no reply. Please let me know if you received same. also let me know how mare & colt is getting along. and if she has taken Horse since I was there. I wouldn't like you to have Horse serve her at least three days in succession as that was the only way in which she could be gotten in foal last year. I have been told you had sold Happy Lady is it true

Yours Truly
