Dear Sir:-

Thanks, for your favor of the 7th. Have been so extra busy, that I have not be able to even attend the races at Gentleman's Driving Park and Timonium, would have visited you before now, had it not been for this. Have promised the Hanover (Pa.) people to act as Presiding Judge for them next week, and on this accout will be unable to visit you either this or next Saturday, but will try and visit you before Lady Gay is returned, as I am very anxious to see your place. If I find business stops me from acting for the Hanover Fair, will than visit you the 19th. Will let you hear from me later.

Yours truly.

W. Rees Bellamy
