Dear Sir

The time has passed so rapidly that we cannot realize that it has been so long since we rec'd. your last letter. We were glad to hear from you, and before we go further we would offer our congratulations upon the success of Happy Bee and the other members of the "Happy" family this season, as well as thank you for your offer for Happy Lady. We hope that financial embarrassments may give you no more trouble.

Regarding our price on the Happy Russell Colt, we did not think that it was too high, in fact we think in the hands of a great many breeders the price would be even double that. Even while we could not induce ourselves to accept your offer of $200.-
