Dea Sir:-

I wish to send a mare, Lady Gay, Standard Record of 2, 32 1-2 by Hannis to be served by Happy Russell. Kindly reply immediately, and let me know what the price will be, and also what you would charge to keep the mare until she prooves with Foal, also want to know your.guarantee. After she foals can I have the privilege to have her served next year at the same price?

The Dam of Lady Gay, is the Dam of Carpet Bagger, a sensational Colt trotter on the Eastern Shore, and also Dam of another trotter, besides Lady Gay. Let me know what steamer to ship her by.

Reply immediately and oblige.

Yours truly.

Arthur Emory
