Dear sir

your favor of some weeks since was duly Received. no I do not want the colt if it was a filly I would take it the colt is not deas but I dont want a Horse colt at any Price a man would not want to castrate it and there is to much trouble with a Stallion. and in my opinion young Stallions will soon be a drug on the market.

I am glad to see the produce of your Horse doing so well this year you are deserving of it. I would like to of bred my mare to him but a poor man cant always does he wants to. I think it ben a good thing for you and myself both if ~~I had~~ we could come business together. I think I will give
