Nellie S a mark of 2.30
now is working her a little
and being in foal seems to
be a bumpett to her. when Tom
Willcox done business with
me it was the best time he done
for his Horse this year the
Bingdoof Mare that I sent to
him is also going close to 2 30
and will be given a Record
Forrest Nelles is a good Horse
but I dont think his colts will
develope young. Except out of
the best of mares. I have never
had any doubt but what Harry
Russell was the greatest sire in
this part of the country. and should
like to have Nellie S to him
another season if I could afford
to there is also other good mares
here that I could send to him
