Dear Sir

Your favor to hand - at present time I have all the horses I can handle I have a filly the Dam of which I think you at one time owned - Called - Clyde M - Sire Mystheldin - Dam Clyde. I think she is speedy - Can you give me any information regarding her good or bad qualities - if so let me hear from you - as it may be of some use to me in handling her -
Should I run across any one who desires to purchase Dry Thing Speedy in horse line - I will refer them to you - with pleasure - trusting you will have success with your stock - I am

Very truly Your
Charles Weiss
