Dear Sir,
Mr. A. R. Talbott informed me you wished to put Bedworth in a good location for the stud season.
I am open for a horse if he will suit our fancies from Mr. Talbotts description he may suit. The best horse we have here 2 days each week is Goldedge (2 o.r) I want a good eye color & one which I can show the farmers a good road clip with.
I am well known here & think if I had the horse a short time before the season opened I could show him & take up a good season.
Kindly let me hear from you and also write Mr. A. R. Talbott to inform me.

Very Truly Yrs.
Gordon G. Sill

P.S. Being a graduate V.V.S. will add to the work with farmers.
