Dear Sir

Yours to hand, am sorry to learn my colts feet are in such bad shape, but am glad you are treating them & hope he will come out sound by fall. Will act on your suggestion and put him in the stud this spring, and perhaps his feet will be good enough to go a mile or two at Kirkwood in the fall. Please send me Happy Russells or Happy Georges card for 1894 so I can get all of Russells performers, I am writing a card for Luther Carters

Colt by Happy Russell out of mare by Volunteer.

Was over to Dover to-day & saw Millingtons Stamboul colt, he is a nice rangy fellow and ought to trot

I enclose slip from paper— I think the poultice idea a good one—it not only softens up the parts but draws out all inflamation.

Yours Truly
