Dear Sir

Your letter of the 15th inst received this A. M. In reference to the Sulky I beg to state that I know nothing of an order from Jones for one. Jones did on one occasion last fall mention something to me of a Sulky for Mr Emory, but suppose he thought We had plenty of time and did not go into any details, or make an order of it at the time, He was taken very sick shortly after, and has been very ill ever since which is about five months, was advised by the Doctors to go South last week, and is now in Florida. I am certainly sorry I did not know of the order, as I could have had one for you long ago
