Dear Sir. Your favor of recent date at hand. Your explanation of the charge of three dollars is perfectly satisfactory. I did not suppose you had made a charge that was not alright but wanted to know where the difference in our accounts came in.

Enclosed I hand you check for $200.27 and note for $50.00 to balance account. You can ship the mare and colt Feb 2nd which would bring them here the 4th.

Thanking you for you patience in regard to settlement and trusting that we may have the pleasure of meeting again I am

Truly yours
Jas. P. Luck
