Dear Sir,

We had a letter from you July 11th and think you may still looking for that 100.00 bike. We have the goods and are willing to meet your price - Our sulky has been tried by the whole fraternity and they are all satisfied that it is all right. We are in shape to fill orders at once. Your good colt would no doubt show you more speed. The great colt Dan 2 11¾ is using the Electric.

Very Truly Yours
