Dear Sir

I have a mare that I am very anxious to breed to a horse that should from the breeding ~~little~~ look like she ought to nick well with. And I have concluded to write you in regard to Happy Russell Lwill first give you the breeding of the mare, I am poor & could not buy in with mare from the latest blue blood strains. At Kellogg's sale last April A fine large bay mare, sold by the executor of an estate, sired by Hiplazon 1230, son of Harold 413, dam, Nettie Plummer by Rysedyk's Hambletonian 10; 2d dam Coquette, by Jupiter 46, was brought out & bid her off at 400 dols. She was in foal to & brought a fine horse colt on the 11th of June Hillcrest 2d son of Volunteer 551 dam Stet by Pacing Mac-lah 6038 2d dam by Hamlet 160, I could not then send her off & bred her to Bender a young horse the Floyd Bros bought at Schultz's sale, by Gen Benton She did not however catch as I see this morning she is in season You see the mare is standard bred besides she is individually fine, a typical Hambletonian, been injured in one hind
