Complaint vs.
Patrolman Edward Shea, Western District.

A communication was received, signed "A Taxpayer", alleging that Patrolman Edward Shea, appointed on the force May 5, 1910, was, before his appointment in the department, dropped from the Fire Department.

In view of the fact that in Mr. Shea's original application for admission to the Police Force, he stated that he had never been employed in the service of the city, it was ordered that an investigation of the alleged facts in said communication be made, and that the officer be summoned to appear before the Board on Friday next, August 23, 1912.

Leave of Absence.
Sergeant Richard E. Freeman.
