share - The bill is 65.00
I would gladly have
paid it all but it
takes me a long time
to make a few dollars
and of course I would
permit Silghman to
wear the ey purse -
I have a beautiful
hair of thorough bred
beagle puppies for the
boys - I have named them
"Jack and Jill"
I wish you would drive
down & spend the day
with us very soon -
Silghman joins me in
much to you all, always
your affectionate friend
