
I sent. I am realy sorry
I can not give them
to you. I sent them
to you to keep for me
I intended lot write
you to that effect.
but I was in such
a rush that I forgot
to. You see they are
the only souvenirs
I have of my experiences
in the Territory.
I wish you would
make the mounted
ones between card
board so they will not
curl. I want to mount
them in a book when
I come East. Now please
do not thinke me
an Indian giver.

So you thinke we look
tough well I reckon
any crowd would look
tough after going
through with what
we have. Eleven months
in camp does not
help peoples appearance.
Well with lots of
love & wishing you
a Merry Xmas I remain
Sincerly
Jayne
