
Boston Jack. I wish I could go back to school this fall. I want to next year if nothing happens.
I think this party will break up when this job ends. We have been losing on an average of a man a week for the past month.
I don't care very much because swipping Jordan a labin I do not care very much for the rest of the duck. Jor Jack

it would be much pleasanter without some of them.
I will not have such a hard time now if some thing happens to this job now.
Because I am just about fifty dollars ahead of the game. It would leave me something to hand for another ride on. Well I have been on the go since six oclock this morning & I am pretty
