& got hired once again. I had to promise to stay until the first of September. You do not know how sorrowful I am disappointed about not being able to get home in Aug not But the job I have will be an construction & it will be worth its weight in gold to me In fact it will just amount to a year's school. You see I have not seen the actual building of a single road so I have only had one side of the work. I did not think I would be able to get more than a laborers job. But Mr Wood opened his heart & gave me an instrument mans position. I don't just see how I will be able to hold it down But I will be under a mighty fine engineer & I guess he will make allowances for me. It is a big thing just at this time because since this agreeze
