Dear Mother:—

Your letter of the 20th Inst received. I have had two days work under my new boss. I do not like him as well as Mr. Lavis. If I can only make a hit with him. We have not gotten a draftsman on this job. And I suppose it will take us all day Sunday to catch up.

so I may not be able to write on Sunday.

I have not made up my mind yet as to the school I want to go to. I had made up my mind to go to Lehigh. It costs about $450. at cost of board. I would not mind going to the Boston Tec. But it is a lill more than Lehigh & I do not know weather I could pass the entrance exams. I am real glad that Kid has a chance to go to West Point. It is a good thing. So Kid is getting to be a good looking Kid is he. I reckon by the time I get back I will not be able to stand any chance with the girls at all. This country does not make people prety. And I have noticed that all the fellows that have been out here for a year or so have a weary look about their eyes. I have not gotten up with express package yet Please give my love to sister & tell her I will write as soon as I have time

Sincerly
B.
