I have a card plate but it is
locked up in my ~~trunk~~ desk &
I do not know where the key
is. So I expect you will
have to get another.
I am real glad you are
going to Philadelphia
with sister.
By the way I rec'ed a letter
from sister that was dated
Aug 17 It had been all
over creation.
Was Gibson on the Coast
Survey last summer?
Nearly every body is in bed
so I ~~had~~ better say good
night. With lots of love
from

Bonnie
