My voucher for the quarter ending March 4, 1901 was executed by Washr. Fields. I brought my pension certificate, exhibited it to him and signed and was sworn to the voucher by Mr. Fields. I paid him 25¢.

Q Isn't Mr. Fields totally blind?

A No, he can see a little and his wife assists him and writes for him I don't know whether she writes her name or not.

Q. Why did you leave Holmes?

A Well he wanted me to pay him $10 I.E, he asked me for it This was after I had put in.

Q Has he ever asked you for his $10 since your claim was allowed?

A Yes he has but I can't give you the date but it was right away after I got my check the first one. He said he got my pension for me and that I should pay him $10 as his fee, I was mad about it. There was no witness or person present when he talked to me. He hailed me on the street one day. I never paid him though.

I have fully understood your questions and my answers have been correctly recorded.
