

1XKAD

A communication, as follows, was received, read and ordered referred to the Marshal for his attention:-

"Baltimore, September 6th., 1912.

To The Honorable,

Board of Police Commissioners.

Gentlemen:-

I am directed by the above Association to request of Honorable Body, to order the placing of a Motor Cycle Officer on patrol Poplar Grove Street, between Edmondson avenue and North avenue, to stop the speeding of Motor Cycles and Automobiles, it is becoming so dangerous to cross the street that we are afraid to allow children on the street. We feel sure that you will comply with our request and that we will have no more trouble in this respect.

Very respectfully,

WILLIAM SMITH, Secretary."

Sprockets for Automobiles.
Purchase of.

Recommendation, as follows, was approved:-

"Mounted Service, September 7, 1912.

Josiah A. Kinsey, Secretary,

Board of Police Commissioners.

Sir:-

I respectfully recommend the purchase of Nine pair of 18 Tooth Sprockets for the Automobiles. This will give us one extra pair for each car. They last about five thousand miles, and as our machines have been in service for about a year, they will all soon have to be changed.

By purchasing these sprockets from the Henry H. Meyer & Co. 110 South Howard street, the cost will be \$10.00 per pair; from the Locomobile Company \$11.50 per pair. I would therefore advise purchasing them from the Henry H. Meyer & Co.

Respectfully,

THOMAS F. DEMPSEY, Lieutenant."

P.S. From three to four weeks are required for delivery."

The vote upon the purchase of sprockets for automobiles, as above,

was:-
