of the american Nation to pu
a system which it appear
you have adopted. This Gover
owes it to itself, to the principl
which it has ever held sac
to disavow as justly charge
to it, any such wanton, cru
and unjustifiable warfare. Wh
unauthorized irregularity may
been committed by any of its to
it would have been ready, acting
these principles of sacred & eterna
gation, to disavow and as fa
as might be practicable to
But on the plan of desolating
warfare which your letter so
explicitly makes known, and
which is attempted to be exc
on a plea so utterly groundl
the President perceives a spir
of deep rooted hostility, which
without the evidence of it
he could not have believed, co
or would have been carried to
