

OFFICE OF THEBOARD OF POLICE COMMISSIONERS.Court - House.Baltimore, Md., Thursday, September 12, 1912.Board met; present, Messrs. Soper, Ammidon and Niles.

The minutes of the previous meeting, Wednesday, September 11, 1912,
were read, approved and adopted.

Caps, for Winter Wear.

In response to invitations by advertisement in the daily papers of September 6th., 1912, as referred to in the proceedings of September 5th., 1912, bids, as follows, were received to furnish for the members of the Department two hundred and forty-two (242), caps for Winter wear:

"Baltimore, September 10, 1912.

To the Board of Police Commissioners,

Baltimore, Md.

Sirs:-

I herewith beg to submit for your consideration samples of Police caps for your Department, as follows:

Blue cloth Police cap, as per sample No.1....\$1.87-1/2

" " " " " " " No.2.... 1.65

" " " " " " " No.3.... 2.00

Sample Number 1, is made of Oakes Metropolitan fine doe-skin, 22 ounce, and water proofed by the Cravenett process.

Sample Number 2, is the same cap exactly as number 1, but of a cheaper quality cloth.

Sample Number 3, is the New York regulation. It is made of the same material as sample number 1, but with a furniture hair cloth all around the upper part of the cap, to keep it in perfect shape and preventing it from breaking down at sides and back.

With your permission, I would suggest for your especial consideration cap number three, which I know will give service, and is the very best cap made for the price. I am sure this cap will give perfect satisfaction and is the best of the three samples. Kindly compare this cap with any other samples you may have and I am sure you will find this as I have stated.
