will come out to replace those sent home. — A
if I am to keep two Frigates with my ship
to completely Blockade the Ports of the
United States, I will require, at the least
Thirty Frigates, Forty Sloops, and Twenty
Armed Vessels — With this Force the States
will be regularly relieved, leaving always
off the different Ports, from two thirds
to three fourths of the Force stated in
the List — the rest I calculate will be
in port refitting. —
