31st March 1814.

Sir,

R 22 May

Upon the 7th Ultimo I wrote you by a Schooner that went direct to England informing you of my arrival here upon the preceeding day and my having produced to Admiral Sir John Warren my Order from the Lords Commissioners of the Admiralty to assume the Charge of Commander in Chief upon the North American Station.

From at No. 25 of the Papers with which you furnished me, previous to my leaving England, I did expect that the Command of this Majesty's Ships would have been resigned

To
John Wilson Croker Esq.
