

in which he asks the detail of a special officer for the purpose of looking after the Equitable Building solely, beg to say that this is, of course, impossible with the limited number of patrolmen we have, and I have, however, instructed Captain George G. Henry, Central District, to see that the officer who patrols the post on which the Equitable Building is located to pay especial attention to this building and see that the entrances thereto are kept clear of any unauthorized persons.

Very respectfully,

THOMAS F. FARNAN, Marshal."
