My dear Sir,

It is not improbable that before the 40th Regt. & the York Chasseurs reach the West Indies, means will have been found for the conveyance of the 2d. West India Regt. from Barbados to Jamaica, and consequently that the Transports which carry out the York Chasseurs will be disposable. Lord

York Chasseurs

first by governing to appear to have been ~~at~~ by the latest government his position in that station and I have further to observe that in order to reach up the number of 15 small regiments & troops particular included the names of the Decorrente & Variable two small corps commanded by Mr. which cordially are better small regiments or troops & cannot accurately designated as their Lordships
