bearing in mind especially, the 4th article of the resolutions of the 28th of June respecting ardent spirits, in the selection of Emigrants - That the agent while so employed in obtaining Emigrants be authorized and requested to use every exertion to make pecuniary collections to defray the expences of the first expedition -

Resolved - That the said Committee be directed to make such arrangements with the Parent Society as may be rendered necessary by the above resolutions

Resolved - That the local agent be directed to urge upon the Auxiliary State Societies the importance of an active organization with a view to giving an efficient ~~an efficient~~ support to the system of Colonization upon which Maryland has now embarked -

Resolved That the Corresponding Secretary be directed to write in the name of this Society to the Board of foreign missions, expressing the interest which this Society feel in the cause of Colonization as a means of Christianizing and civilizing the Heathen, and tending to the Board of foreign missions every facility which it may be in the power of this Society to afford to it, either in the information which it may now possess respecting Africa, or in accomodation and aid of its agents at such settlement

or settlements as this Society may be able to form in pursuance of its present designs -

Resolved - That a Committee be appointed to prepare an address to the public, to be published as an accompianyment to the resolutions of this Society of the 28th April & 28th of June

Committee appointed by the Chair

The President, Mr. Latrobe & Mr. Anderson -

Resolved - That a Committee be appointed to call upon such of the friends of Colonization who have heretofore shown an interest in the cause, to obtain such pecuniary assistance as is now most especially called for - urging the importance of the step about to be taken as offering a great motive for liberal contribution -

Appointment of Committee postponed

Resolved That a Committee address a letter on behalf of this Board to the American Colonization Society at Washington, assuring it that in the steps contemplated by the Maryland Society, nothing is intended savouring of rivalry or opposition to that Society interest - but that the course pursued by the Maryland Society is prompted entirely by a desire to make Colonization succesful in Maryland to the extent of entire emancipation, under the impression that if this can
