

No. 15.

I do hereby certify, that Colonel Kennedy Long, who commanded the 27th regiment, which so highly distinguished itself at the battle of North Point, was authorized by me to employ gunsmiths, &c. &c. to repair old arms, and mend such as required; by which the necessity of supplying new arms was avoided. The amount charged was paid, and will not, for any little want of formality, be rejected.

S. SMITH.

Major General Commanding.
