

Warburton 17 July 1812

Sir.

I make free to introduce to your usual kindness & attentions my friend & neighbour Augustus Preuss Esq the son in law of Mr Savary whose family are of consequence & reside in Danzig of which City Mr Preuss is a native tho for several years back has become one of us. And I am sure Sir you will not like him the worse from his being of fair & honorable Republican Principles. He has heretofore expressed a desire to get into some of our volunteers corps & will I am sure do credit in that or in our militia of the State or wherever his services maybe useful in this eventful crisis of our common country.

With great regard &amp; respect

I remain yrs

Thos Digges

His Excellency  
Governor Bowie
