Africans 12 to 15 males - The attendance is reported as quite regular: in one report 38 is the number as designated = "not tardy ones" during the quarter.- One Native female only is reported & that at close of the first quarter - Your Agent suggested to the Trustees the advantages that would result from the introduction of the Native Girls & proposed that a female assistant be appointed who should teach sewing in variety & some household duties: but the response was that a purchase amounting to a large dower, as they term it, would be necessary, which the funds would not warrant - The acting Secretary transmitted a resolution of the Board of Trustees, viz, that the custodian of the Fund in the United States, annually transmit to this Board a statement of the condition of the Fund, how invested, the annual income &c which your Agent deems but proper & just, as the proceeds are to be placed at their disposal.-

Your Agent - herewith lays before the Board of Managers a Record Book, containing a condensed historical statement of the origin & opperations of Md. St Col Society & of the appropriation of the Fund & copies of all letters written by him relative thereto - on the School: also an Account book of Debit & Credit with the Fund - Also a Letter File, covering all letters received, a copy of the Charter - Original Bills - canceled Drafts & vochers of all Kind for monies paid out - All of which is most respectfully submitted -
