Baltimore 13th June 1832

Gentlemen

My last communication was dated Vienna 21st May 1832. On the 22d of May I visited Princess Anne, in which place I delivered three public addresses and formed the Somerset County Colonization Society — for a list of its officers I refer you to a newspaper forwarded by L. D. Jackle. From Princess Anne I went to Snow Hill and on Sunday afternoon 27th May delivered an address to a large audience of both of whites & coloured persons and formed a ~~the~~ Worcester County Col. Soc. the election of officers was post-poned to the ensuing friday — At Snow Hill and P. A. I also distributed a large number of pamphlets. On sunday night 27th of May at S. H. I addressed a very crowded audience of coloured people in their own meeting-house apparently with the happiest effect. ~~I was followed in the Pulpit by Mr Mustard~~ My address was followed by some remarks from the Revd Mr Mustard a Presbyterian Preacher and by a very pertinent & eloquent address from George Hudson a Class Leader of the coloured people there living near Snow-Hill two highly respectable coloured Methodist Preachers by the names of Jos. Whittington
