I received June 5th of the Treasurer of Quantico Cal. Sacy. ten dollars & fifty cents. June 6th I delivered a second address in Salisbury to a very large and attentive audience. June 7th I delivered an address to the coloured people in Easton and another on the 8th to the white people. I have travelled in your service about 700 miles and my expenses (exclusive of the two drafts on you one in favour of Mr. T. and another in favour of Mr. L) have been seventy six dollars

Respectfully Yours
